

## 2019-2023 STRATEGIC PLAN

### *Moving People Out of Poverty-Family*

- Craft strategies based on research-based practices
- Focus on individualized solutions
- Create or enhance community resources & capacities

### *Building Resiliency-Community*

- Recognize & build upon individual & community assets
- Strengthen relationships & build new partnerships
- Inspire participants to share their stories & successes

### *Taking Innovative Actions-Agency*

- Use data & new technologies to inform innovative decision making
- Empower staff to craft & share creative solutions
- Be an agent of change in our communities

### *Expanding Our Advocacy-Agency*

- Empower everyday people to be civic leaders
- Encourage engagement with local & state leadership
- Fulfill our role as a poverty expert

### *Building Our Economic Future-Community*

- Expand investment in innovative workforce solutions
- Advance community-based network sharing capacities
- Drive investment in individual success
