Menus should be sent back when students return to school.

SCHOOL READINESS GOAL

Children will demonstrate flexibility, inventiveness, curiosity, motivation, persistence, and engagement in learning.

WHAT IS INSIDE?

Place two or three large infant-safe objects in a bowl. Let your infant reach in, remove an object, and explore it. Name what they discover and refill the bowl.

FIND THE TOY

Partly hide a favorite toy under a small cloth while your infant watches. Ask, "Where did it go?" Encourage looking, reaching, or pulling the cloth away. Celebrate the discovery.

SOUND SEARCH

Gently shake a rattle on one side of your infant, then the other. Pause and let them turn, look, or reach toward the sound. Offer the rattle for supervised exploration.

TRY ANOTHER WAY

Put a desired toy slightly out of reach. Allow time for your infant to stretch, scoot, roll, point, or vocalize. Offer help after they try and say, "You kept trying!"

READ A BOOK TOGETHER
